

THE UNIVERSITY *of*
NEW ORLEANS

OFFICE OF CAREER DEVELOPMENT

June 1, 2008

Dear Employers:

Thank you for your continued support of the University of New Orleans and our students. We would like to invite you to a special event that is now in its sixth year and growing. The event is FreshFest and the purpose is to allow you an opportunity to meet with students at the University of New Orleans who may be seeking a part-time job.

The Part-Time/On Campus Job Fair is part of FreshFest and will be held this year on August 27, 2008 in the Library Quad on the campus of UNO. This is a casual, no pressure event that brings together organizations seeking to hire college students as well as campus organizations seeking student workers. We hold FreshFest each year as an official welcoming event for our new students and as a way for them to connect with the New Orleans community.

Fresh Fest is traditionally held on the first Wednesday of the first week of school in the fall and **yes, it is an outdoor event**. You can expect it to be hot and steamy outside, so we strongly, strongly recommend that you wear a company polo or t-shirt and shorts or khakis...**this is not a career fair to dress-up to attend**. Our students will be wearing what they normally wear to school everyday and they will probably have on shorts, flip-flops and t-shirts as well. We will be under a huge "circus" tent and there will be plenty of fans around to help you keep cool. We will also have plenty of cold refreshments and traditional outdoor type food for you to eat.
